The forms/copies you requested are enclosed.

We do not have forms regarding Motions such as Appointment of Counsel or Writ of Mandamus.

We are unable to send you your requested form

because I do not know if it even exists. As an employee of the Court, I must also remain neutral, and thus, I am prohibited from performing legal research for anyone.

You asked about the Freedom of Information Act. Neither the Freedom of Information Act (5 U.S.C. §552) nor the Privacy Act (5 U.S.C. §552a) applies to the Judiciary.

If you believe that your constitutional rights have been violated, you may, at your sole discretion, file an action. I have enclosed a copy of the appropriate form for filing such action. You may make multiple copies of the form. Please fill out the form carefully and legibly and sign the forms as photocopied signatures are not acceptable. Please note, however, that providing you this form is not a determination by the Court that your claim(s) have any merit. The Court provides the form only as a courtesy. **Mail to: Clerk, U.S. District Court, 210 Franklin Road, Suite 540, Roanoke, VA 24011-2208.**

Please be advised that neither the Local Rules nor the Standing Orders are available in a format to send to litigants, but they are available on the Court's website. www.vawd.uscourts.gov. They and the Federal Rules of Civil Procedure are also available from various legal research providers or at law libraries. Our standing order refers all non-dispositive matters in pro se prisoner actions to a United States Magistrate Judge and requires prisoner civil actions to be filed in the Roanoke Division for administrative

reasons only. However, the Court will inform you of the applicable Local Rule and Standing Orders upon receipt of any complaint or petition.

☐ No case number was noted on the document(s) sent to the Court, and I am unable to determine the case in this Court in which you wish to file this submission. If you intend to pursue a new action or file a motion in a pending or closed case, please indicate how and in which action you want the documents filed. If you intend to file in a different court, please mail it to that other court.

☐ The Court received a payment on your behalf, and it's returned to you as an enclosure to this letter because: ☐

☐ You do not presently owe money that the Court collects. ☐ The Court does not accept partial payment of the filing fee unless the Court granted you the opportunity to pay in installments, pursuant to 28 U.S.C. §1915 and even then, those payments would sent to the Court by the Trust Account Officer from the facility where you are housed.

☐ I am not permitted to provide the legal information you seek. The role of the Court is to adjudicate claims presented to the parties. The Court could not maintain its role as an unbiased arbiter of claims if it assisted either party. As an employee of the Court, I must also remain neutral.

☐ The court is authorized to adjudicate cases. The Court is not authorized to, and does not, investigate allegations of misconduct. Please contact the appropriate law enforcement, inspector general, or ombudsman with the jurisdiction to address your concerns.

☐ The Court does not have any record of the case/ data/ pleading/document you described.

☐ You asked about the status of your case. I cannot give an estimate on when an action will be taken in your case. You will receive a copy of any order and/or opinion as soon as the Court issues it.

☐ The address you requested is: _____

☐ Sending unrequested information to the Court with the hope that it will quicken consideration of your case is incorrect. The Court will review your case in turn.

☐ Please find your enclosed submission because it does not pertain to a pending action and the Court does not maintain a record of such correspondence.

Mr. Campbell- A docket sheet is enclosed as requested. I have provided you the transcript order form for you to request the transcript from your sentencing hearing.

Sincerely,
JULIA C. DUDLEY, Clerk of Court
